

# 2020 FOREST GREEN THOUGHT EXCHANGE REPORT

Parkland School Division 70  
Forest Green School

**Q1** What are some things you appreciate and some concerns you have about our school this year?

**I enjoy the crossover grade activities and chance for students to interact with other grades.** My child feels as though she is part of the school community rather than just her classroom.

**I am concerned about the lack of sports teams. I find it odd that there isn't any, and this will create childhood memories that they can reflect on.** Grade 5 and grade 6 are crucial times for children. I believe with an opportunity to be a part of a team will help with self esteem and peer pressure
