Dear Forest Green Families,

Let's Make the Last Few Months Count!

We are approaching the final stretch of the school year! With this exciting milestone on the horizon, I want to take a moment to highlight the importance of attendance during these last few months. Consistent attendance plays a crucial role in your child's academic success and overall development. Each day presents valuable opportunities for learning, growth, and connection with peers and teachers.

As we strive to make the remainder of this school year the best yet, I encourage you to prioritize attendance and punctuality. By ensuring that your child attends school regularly and arrives on time, you are setting them up for success both academically and socially. Additionally, your child's presence contributes to the vibrant and dynamic learning environment we aim to foster at our school.

Moreover, these final months are filled with exciting events, activities, and learning opportunities that your child won't want to miss. From field trips and special projects to end-of-year celebrations, there are countless experiences awaiting them. Attending school regularly ensures that your child can fully participate in these memorable moments and make lasting memories with their peers.

If your child is experiencing any challenges that may impact their attendance, please don't hesitate to reach out to us. We're here to support you and your child every step of the way.

Let's work together to make the last few months of this school year truly unforgettable!

Supporting Your Child's Well-Being at School

On several occasions, after students are sent home from school "unwell", parents have told us that once their kid is at home, they seem fine. As we are looking to improve our attendance rates we are going to proceed with the following protocol when kids complain of feeling unwell.

Using our experience and expertise, we will assess the situation and determine the best course of action for your child's health and comfort.

FOREST GREEN SCHOOL

Sometimes, a student may report feeling unwell, but after a short period of rest or hydration, they're able to resume their activities without any further issues. In such cases, we may opt to give them a brief break and monitor their condition closely. Should it persist and it becomes evident that your child would benefit from going home to rest and recuperate we will contact you.

We want to emphasize that your trust in our judgment is invaluable as we strive to provide the best care for your child while they are at school. Your cooperation and understanding enable us to maintain a safe and supportive learning environment for all students.

If you ever have any questions or concerns regarding your child's health or well-being while at school, please don't hesitate to reach out to us. We're here to support you and your child every step of the way.

Online Safety for Children & Young Adults: An Information Evening with Cst. Gord Marshall, Parkland RCMP

The Prescott Learning Centre School Council would like to extend an invitation to any interested community members to attend a presentation and discussion on the topic of Online Safety. Parkland RCMP Cst. and former School Resource Office Gord Marshall will share his experiences and provide useful strategies for parents and guardians for protecting children and young adults while online.

Where: Prescott Learning Centre, 340 Pioneer Road, Spruce Grove

When: Wednesday, April 3rd @ 7:00 pm

Who (can attend): The parents and guardians of children and young adults and any interested community members

No RSVP required, we hope to see you on the 3rd.

Sincerely, PLC School Council
