Dear Forest Green Families,

### National Volunteer Week

As April unfolds, we find ourselves immersed in the spirit of gratitude and recognition for the incredible support our school receives from our dedicated parents and community members. National Volunteer Week (April 14-20) serves as a poignant reminder of the invaluable contributions these individuals make to enrich the lives of our students and enhance our school community.

From assisting in classrooms to organizing events, chaperoning field trips to lending a helping hand wherever it's needed, our volunteers selflessly devote their time and energy to ensure the success of our students and the vibrancy of our school.

As we express our heartfelt appreciation for their unwavering commitment, we eagerly anticipate our upcoming Volunteer Tea in May, where we will have the joyous opportunity to personally extend our thanks and honor each and every one of our remarkable volunteers. More information to come soon!

Together, through their generosity and kindness, we continue to cultivate a nurturing environment where our students thrive and our community flourishes.

Thank you, dear volunteers, for your boundless dedication and profound impact on our school family.

### Wacky Hair Day

Get ready to unleash the wild and wacky on April 17th! It's Wacky Hair Day at Forest Green School! Let your creativity run wild as we style, color, twist, and twirl our locks into the most outrageous 'dos imaginable! From crazy colors to gravity-defying shapes, the sky's the limit! Let's make this day follicle-fantastic! Mark your calendars and get ready to let your hair down... in the most fun and fabulous way possible!

### Earth Day

Earth Day is coming up on Monday April 22nd, Shape Alberta is an Alberta wide non-profit organization whose mission is to encourage Albertans of all ages and abilities to choose active

## FOREST GREEN SCHOOL

transportation on a daily basis. Their goal this Earth Day is to move ourselves towards a greener, healthier planet while completing an Earth Day Walk & Wheel. We are encouraged to embrace the spirit of Earth Day by choosing an active travel option like walking or cycling around our community. These modes of transportation help reduce carbon emissions and promote eco-friendly transportation. We want to create a cleaner, brighter future for the generations to come. On Monday April 22, each class will take some time in their day to go for a walk around our community and pick up garbage. Together we can do our part in cleaning up the school yard and community, while choosing an active travel option.

### **Hot Diggity Dog Fridays!**

We're excited to announce a fantastic opportunity for you to contribute to the Grade 6 students' camp field trip next year! This excursion marks the culmination of their journey through to Grade 6 and is eagerly anticipated by all. With an approximate cost of \$150 per student, we're committed to ensuring that every interested student can participate. That's why we're inviting you to join us in our hot dog lunch fundraiser. Your support will help ensure that every student has the chance to partake in this enriching experience.

You can preorder the hot dog lunch through our hot lunch system. Additionally, we will accept cash on the day of the event. However, please note that there will be a limited supply of extras available, so we recommend preordering to secure your meal. Please watch for these additions to the hot lunch system soon!

This fundraiser will occur on the last Friday of every month (April, May, and June). Your generous support is invaluable and will play a crucial role in providing our students with memorable and educational field trip experience.

Thank you for your unwavering support.

Warm regards,

The Grade 5/6 Team

### **Parent Handbook**

Please click [here](#) to view our Parent Handbook for the 2023/2024 School Year.

We encourage you to follow us on social media as we celebrate our amazing school community. You can find us on [Facebook](#) and [Instagram](#). Additionally, please watch the [announcements page](#) on our [website](#)!

We are looking forward to caring, sharing, and learning together! As always, please do not hesitate to contact us at the school with any questions or concerns that you may have at either 780-963-7366 or [forestgreen@psd.ca](mailto:forestgreen@psd.ca).

Sincerely,

Leah and Miranda

(Principal and Assistant Principal)
