Dear Forest Green Families,

Visual Arts Celebration

It is that time of the year again when Parkland School Division kicks off the Visual Arts Celebration. The event, hosted this year at Memorial Composite High School, runs from Tuesday, April 23, 2024 to Wednesday, April 24, 2024 and is a showcase of the early years, middle years and senior high artwork from across the division that goes on display for students, parents and community members to view.

The incredibly creative pieces of art featured in the Visual Arts Celebration have been chosen by teachers to represent each school in the division. Out of the artwork featured, three pieces from each school will be selected for extended display at the Centre for Education from June 2024 through June 2025. After the display, all the artwork will be returned to students.

A huge congratulations to all students selected to be featured in the celebration. We hope you and your families enjoy and take inspiration from all the beautiful and creative compositions showcased.

Family Connection Physical Literacy Night

Our next Family Connection Night is coming up on **Wednesday, April 24, 2024 from 5-6pm**. Please come out and join us for some badminton games! Challenge another family to join you so that we can have some round-robin play!! All ages and skill levels are encouraged to participate! We have something for everyone.

Rocks and Rings

Egg Farmers Rocks & Rings by Curling Canada features a variety of drills, relays, and team-building activities that introduce students to the sport of curling and wheelchair curling with a focus on FUN! We will be running 35 minute centres for Grades K-4 and a mini tournament for grades 5-6. This experience is supported through your cultural fees.
