Dear Forest Green Families,

### New Online Absence Reporting Now Available!

We are excited to let families know that you can now report your child's absence quickly and easily through our website! If your child will be away from school, simply visit <https://forestgreen.psd.ca/parents/report-an-absence> to let us know.

You can find the Absence Reporting link under the "For Parents" dropdown menu on our website. The online form is user-friendly and provides a convenient way to notify the school of your child's absence.

We encourage all parents and guardians to use this online reporting option whenever possible. Your support helps us keep accurate attendance records and ensures we know your child is safe.

Thank you for your cooperation!

### Online Registration/Verification for 2025-2026

The annual online registration/verification process begins February 10, 2025, and must be completed for all students (Pre-K to Grade 12). The [registration/verification](#) process is conducted exclusively online.

- Registration is for new PSD students
- Verification is for returning PSD students.

During the registration process, you must select the 2025-2026 school year to register for the upcoming school year.

To ensure that their child receives a bus pass prior to the start of the next school year, parents

# FOREST GREEN SCHOOL

are required to complete registration by 4:30pm on Friday, March 28, 2025. This deadline will facilitate the routing of buses, bus pass production and data verification before the summer break while schools are still operating.

## Weather-Dependent Outdoor Events This Week

We are looking forward to two exciting outdoor activities this week: our Ski Club outing and the Family Connection Event. However, given the frigid temperatures we've experienced over the last few weeks, we want to remind families that both events will be weather-dependent.

If the cold weather persists, we may need to cancel and reschedule these activities for a warmer day. We understand how disappointing this can be, but the safety and comfort of our students and families are our top priorities.

We will keep you informed as we monitor the weather conditions closely. Please watch for updates through our usual communication channels. Fingers crossed for some warmer days ahead!

Thank you for your understanding and support!
