Dear Forest Green Families,

### Welcome Back to Our Support Staff

We are glad to welcome back our support staff and are looking forward to settling back into our regular routines. Your work is an important part of keeping Forest Green School safe, caring, and supportive for our students, and we're happy to have you back.

As we move forward together, there are a few changes we'll be continuing with based on what we've learned over the past few weeks:

### Morning Supervision

Given the number of students who arrive early and play before school, we will continue with all morning play taking place on the East side of the school between 8:15 and 8:30 a.m. The West side will remain closed during this time. This allows us to focus supervision and continue to ensure students are safe.

### Lunch Routines

While the kitchen was closed for heating up food, students finished their lunches on time, and afternoon classes were able to start promptly. This means more learning time for everyone. We will continue with this practice going forward. If families wish to send a warm lunch, we encourage them to use a thermos. Students will not have access to a microwave or hot water for soup at school.

### Reporting Absences

We have also found it works best when families report absences through the [online absence reporting system](#). This system is always monitored by office staff. If an absence is only reported to a teacher or the secretary directly, and they happen to be away, the message may not be received in time. In these cases, students may be marked absent with no reason and an automated phone call will go home. We kindly ask that families continue to use the online absence reporting system to help avoid this. 🐉
