Dear Forest Green Families,

### Welcome Back!

We hope everyone had a restful and refreshing Spring Break! As we head into the final stretch of the school year, we're excited to make the most of the next three months together.

Every day counts—and strong attendance helps students stay connected, keep up with their learning, and be part of all the amazing experiences planned for this final term. Let's work together to make these last three months our best yet for attendance and engagement!

### Updated Plan for Parent-Teacher Interviews

As you know, our Parent-Teacher Interviews scheduled last month were cancelled due to the labour disruption. We're excited to share an updated plan that gives families a meaningful opportunity to connect with their child's learning.

On Thursday, April 24th from 5:00–7:00 p.m., we're inviting families to join us for our Family Connection Evening! There will be a physical literacy activity in the gym for families to explore together, and teachers will host student-led conferences in their classrooms. This is a wonderful chance for students to proudly share their learning and classroom experiences with you.

If you would prefer to have a one-on-one conversation with your child's teacher, please don't hesitate to reach out to them directly to book an individual appointment.

We look forward to welcoming you into the school and celebrating all the great learning happening at Forest Green!

## Reporting Absences

We kindly ask parents to report absences through the [online absence reporting system](#). This system is always monitored by office staff. If an absence is only reported to a teacher or the secretary directly, and they happen to be away, the message may not be received in time. In these cases, students may be marked absent with no reason and an automated phone call will go home. We kindly ask that families continue to use the online absence reporting system to help avoid this.

## Parent Handbook

Please click [here](#) to view our Parent Handbook for the 2024/2025 School Year.

We encourage you to follow us on social media as we celebrate our amazing school community. You can find us on [Facebook](#) and [Instagram](#).

We are looking forward to caring, sharing, and learning together! As always, please do not hesitate to contact us at the school with any questions or concerns that you may have at either 780-963-7366 or [forestgreen@psd.ca](mailto:forestgreen@psd.ca).

Sincerely,

Leah and Miranda

(Principal and Assistant Principal)
