Dear Forest Green Families,

No School – Easter Long Weekend

A reminder to families that there will be no school on Friday, April 18 and Monday, April 21 due to Good Friday and Easter Monday. We hope everyone enjoys a restful and joyful long weekend with family and friends!

Updated Plan for Parent-Teacher Interviews

As you know, our Parent-Teacher Interviews scheduled last month were cancelled due to the labour disruption. We're excited to share an updated plan that gives families a meaningful opportunity to connect with their child's learning.

On Thursday, April 24th from 5:00–7:00 p.m., we're inviting families to join us for our Family Connection Evening! There will be a physical literacy activity in the gym for families to explore together, and teachers will host student-led conferences in their classrooms. This is a wonderful chance for students to proudly share their learning and classroom experiences with you.

If you would prefer to have a one-on-one conversation with your child's teacher, please don't hesitate to reach out to them directly to book an individual appointment.

We look forward to welcoming you into the school and celebrating all the great learning happening at Forest Green!

AHS Dental Visit for K–3 Students

This week, the AHS Dental Team will be at the school to provide preventative dental services for our Kindergarten to Grade 3 students who have returned signed permission forms. Students will be receiving their second fluoride application and, where needed, dental sealants as part of this free program.

We're grateful to Alberta Health Services for supporting the health and well-being of our students!

Grade 6 Immunizations – Round 2

Grade 6 students who have returned signed consent forms will be receiving Round 2 of their immunizations this week. The immunizations will be administered by Alberta Health Services' Public Health team during the school day.

If you have any questions or concerns, please contact the school office or reach out to AHS Public Health directly.
