Dear Forest Green Families,

### Student-Led Conferences & Family Connection Evening

On Thursday, April 24th from 5:00–7:00 p.m., we're inviting families to join us for our Family Connection Evening! There will be a physical literacy activity in the gym for families to explore together, and teachers will host student-led conferences in their classrooms. This is a wonderful chance for students to proudly share their learning and classroom experiences with you.

If you would prefer to have a one-on-one conversation with your child's teacher, please don't hesitate to reach out to them directly to book an individual appointment.

We look forward to welcoming you into the school and celebrating all the great learning happening at Forest Green!

### Registration Reminder - - Deadline passed

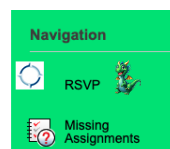

We need you to register for school as soon as possible if you haven't done so yet! The registration deadline has now passed. Enrolment impacts budgets and staffing, and therefore, we need to ensure we are up-to-date with school registrations as soon as possible.

This will also assist our Transportation Services department who are already finalizing bus routes for next year for those families requiring transportation. Please note,

How do I get started?

Visit <https://powerschool.psd.ca/public/> and log into your parent account. Once inside the Parent Portal:

1. Select your child's name in the blue bar at the top of the screen.
2. Select the RSVP icon on the left side of the screen.

If you aren't able to retrieve your login credentials using the "Forgot Username or Password?" link on the Sign In page, please contact the school directly for assistance logging in to the Parent Portal.

### **Read-a-Thon Assembly – April 25 at 2:00 PM**

We're wrapping up our Book Fair celebrations with a special assembly on Friday, April 25 at 2:00 PM! During the assembly, the Forest Green Fundraising Society will be recognizing the students and classes who logged the most reading minutes.

There will also be a prize draw for students who participated by tracking their reading—every 20 minutes was an entry and a chance to win something extra!

Thank you to everyone who supported the Book Fair and encouraged a love of reading at home!

### **How We're Using Cultural Fees This Year**

Thank you to all families who have paid their Cultural Fees—these contributions help us provide enriching learning opportunities for students throughout the year. Here's how we're putting those funds to good use this spring:

- A live performance of *Beetlejuice Jr.* at Horizon Stage for Grades 3–6 – coming up in May
- An Alien In-Line Skating workshop – taking place in May
- An Artist in Residence, Angela Hall, is working with students to explore visual art over several sessions – running through May and June

These experiences help bring learning to life, sparking creativity, curiosity, and joy for our students!

If you haven't yet done so, please log in to PowerSchool to ensure your child's Cultural Fees have been paid. Your support makes these opportunities possible!

### **Spring Book Fair - April 29-May 1**

Get ready to dive into some great reads at our Spring Book Fair! From April 29 to May 1, families are invited to explore a wide selection of books and support a love of reading in our school community.

Students who raised funds during our Read-A-Thon will receive a coupon for 10% of the amount they raised to spend at the fair. We're also celebrating two outstanding students: the Top Reader and the student with the highest donations will each receive a \$50 gift card - all courtesy of our amazing Fundraising Society and School Council.

Don't miss this chance to build your home library, support literacy, and cheer on our young readers!
